

## **INVITATION TO SUBMIT TECHNICAL AND COMMERCIAL OFFERS**

### **Wellhead Supply Services**

We hereby invite qualified and experienced companies to submit their technical and commercial proposals for the provision of Wellhead Supply Services in accordance with the scope of work outlined in the attached document.

The scope includes, but is not limited to:

- Supply of wellhead and well control equipment for re-entry into one well and drilling of two exploration wells in the Ghadames Basin, Block 95/96.
- Provision of tubing and casing components compatible with multiple hole sections including 26", 16", 12¼", and 8½".
- Inspection and reuse of abandonment equipment installed on the re-entry well, with replacement if damaged.
- Delivery of equipment optimized for operational safety and integrity, with alternatives allowed based on engineering experience.
- Compliance with handling, storage, and inspection standards to ensure equipment integrity and traceability.

### **Submission Guidelines**

- Offers must be submitted in sealed envelopes waxed in red.
- Both technical and commercial proposals must be included.
- Pricing details must be confined to the commercial offer only.
- Deadline for submission: within FIVE (5) days from the date of this announcement.

We look forward to receiving your proposals.
